

NEW ESCALATORS FOR CAMPBELLTOWN RSL CLUB

PROJECT DELIVERABLES

Client

Campbelltown RSL Club
(Part of The Cabra vale
Diggers Group)

Project Type

Design & Construct

Location

Campbelltown NSW

Overview

As part of a master plan devised by Network-The Cabra vale Diggers Group wanted to give its patrons at its Campbelltown RSL Club a new central access to its new 500 seat 1st floor dining facility and contracted Network to design and install new escalators to be able to meet the needs of the increasing number of patrons to there new dining facility.

Minimising Disruption

As the project was taking place within a live environment, the client needed Network to ensure minimal disruption to its operations and patrons. There was continuous consultation with the Club in regard to noisy activities, and demolition works were carried out in a manner that minimised inconvenience to patrons and staff.
